

DONOR PRIVACY POLICY

Christian Union is committed to protecting your privacy. The ministry maintains industry standard safeguards to protect information you disclose.

Sharing of Information

Christian Union will not sell, rent, lease, give or lend mailing lists to other organizations for them to use for any purpose.

Collection and Use of Information

Christian Union may collect information from you such as postal and email addresses in the process of serving you. We will use this information to process your requests and serve you.

Protection of Information

Christian Union uses the Secure Socket Layer (SSL) protocol when collecting or transferring sensitive data such as credit card information over the web, along with other security measures.

Links

Christian Union's websites and communications may contain links to external websites. The privacy and data collection practices on linked websites are separate from Christian Union and are not covered by this privacy statement.

Christian Union reserves the right to make changes to this privacy statement at any time.
